

Major Selling Points

- **Flexible User Authentication**— provides more options to customize authentication settings for operations
- **Fully Configured**— includes two 500 sheets input trays, duplexing, and network connectivity
- **Saves Space**— eliminates the need for a separate copier, scanner and fax machine; smaller footprint than other competing solutions
- **Low Cost of Ownership**— HP's 16 years of award winning reliability combined with superior fraud and theft deterrence from TROY
- **TROY MICR Toner Secure**—protects your checks from chemical alteration

TROY Exclusive Security Features

Customizable User Authentication

The TROY MICR 3035 Secure MFP allows users to utilize their current log-on and passwords for scanning to email and a different ID for print, copy, and scanning. This provides scalable security to fit the needs of your organization and to comply with Gramm-Leach-Bliley, HIPAA, and other regulations protecting confidential information.

Standard on TROY MICR 3035 Secure MFP

Paper Tray Locks

Most businesses locate their workgroup printer in an open office environment. This creates a security risk. TROY offers paper tray locks to reduce the risk of check stock theft.

Optional on TROY MICR 3035 Secure MFP

Copy Block

Helps eliminate risk of duplicate checks. TROY copy block prevents users from creating copies when a TROY MICR Toner cartridge is detected in the printer.

Standard on TROY MICR 3035 Secure MFP

ExPT™ Exact Positioning Technology

A MICR line out of alignment is one cause of rejected checks, a multi-million dollar problem for banks and companies. ExPT™ allows users to precisely adjust the MICR line without affecting the data file.

Standard on TROY MICR 3035 Secure MFP

TROY MICR Toner Secure

For maximum reliability and low operating cost, only TROY:

- Formulates MICR toner for each printer according to world-wide banking standards
- Manufactures and fills MICR toner in all new OEM cartridges
- Quality controls MICR toner manufacturing and cartridge filling in an ISO 9001:2000 certified facility
- Helps to prevent against chemical alteration of your most valuable documents
- Provides the **TROY Quality Guarantee**

And TROY MICR toners will NOT void the manufacture warranty
